

American Airports Corporation

SITE USAGE/FILMING APPLICATION

Procedure:

- 1) If proposed filming is to be at a 3rd party/non County owned hangar contact the hangar owner/Master Lessee and receive their permission before applying with the airport’s permit. (We verify this before approve any filming on airport property.)
- 2) Fill out the application and return via email or fax to the Airport Manager at the respective airport.
- 3) Complete a location agreement with AAC and pay applicable airport fees.
- 4) Provide evidence of insurance listing AAC and the County of Los Angeles as additionally insured.
- 5) Obtain FilmLA permit and pay applicable fees.
- 6) Once items 1 through 5 are completed, the Airport will then issue a permit to applicant.
